

"HOMECOMING DANCE" 11/29/73

The Needham Boosters Club will sponsor a "Homecoming Dance" for Needham High Students on Saturday night, November 29 from 8:30-11:30 p.m. The featured band will be "Sunset After Dark," a local rock group with Lennie Burke on bass, Larry Newman and Dave Kaplan guitarists, Tom Armstrong on drums and percussion and Carol Wharton on percussion and lead vocals. They have played at many high schools in the Boston area.

Proceeds from the dance will benefit the Boosters Club Scholarship Fund. Each year the Boosters Club awards scholarships to girl and boy graduates who have participated in Varsity athletics and attained a high scholastic record.
