

## Sweet Chocolate Brown

A lady at the library  
Entirely chocolate brown  
But for the patchy-white soles of  
Her feet, tilted easily out of  
Her flimsy, silly flip-flops.  
I wondered about that lady  
How her soles lost their chocolate brown.  
I'll bet her feet once stomped so  
Vigorously  
Ecstatically  
To her own inner rhythm  
Whooping it up so  
Ceaselessly  
That the chocolate brown of her feet  
Heard the beat  
Melting slowly down the street  
Happily flowing away.  
Sweet chocolate brown is as yummy  
As honey.
